

OFFICE EQUIPMENT MOVED

State Highway Commission, When Appointed, Will Be at Capital.

The office equipment of the state highway engineer has been shipped to Jefferson City. The last General Assembly changed the name of the office to state highway commissioner and provided that the office be in Jefferson City.

The successor to Curtis Hill, who

resigned April 1, has not been appointed.

Divorce for Owen and Janie Johnson.

Owen Johnson was granted a divorce from Janie Johnson in the Circuit Court this morning. Mrs. Johnson was allowed to keep the two children, and the father was ordered by the court to pay \$12.50 a month for their maintenance.

Miss Myra Withers Here.

Miss Myra Withers, traveling student secretary for the Y. W. C. A. in Missouri and Arkansas, arrived in Columbia last night to spend four days visiting the University. The Y. W. C. A. will have an open house at Reed Hall tonight from 7:30 to 9 o'clock to give the women of the University and city an opportunity to meet Miss Withers.

FORMER DEAN SHARPE HERE

Head of Bible College for Nine Years Comes as Witness.

Charles M. Sharpe, who was for nine years the dean of the Missouri Bible School, has returned to Columbia as a witness in the Lowry case. As this case has been postponed until the June session of court, he will depart for Chicago tomorrow.

For the last year Professor Sharpe has been connected with the Disciples' Divinity House of the University of Chicago.

This is a post-graduate divinity school, only graduates pursuing higher courses in divinity attending it.

MAIL BOXES WILL BE RED

Brilliant Hue Will Make Them Easier to Find.

The mail boxes in Columbia, after receiving their biennial coat of paint within a month, will be a bright red. The mail wagons, too, will be painted with the "circus color." This is in accordance with an order of the postmaster-general affecting all urban mail-boxes and wagons throughout the United States.

BRIEF LOCAL NEWS

Woman Appeals Her Case.

Nettie Stout, who was fined \$650 for conducting an immoral house, was granted an appeal yesterday to the Kansas City Court of Appeals.

High School German Club Meeting. The German Club of the Columbia High School will meet in the school building tomorrow afternoon. A literary program will be given.

HERRICK HIGH GRADE REFRIGERATORS.

HERRICK Dry Air REFRIGERATORS

The only refrigerator manufactured with a complete DRY AIR circulation.

This refrigerator has removable shelves and drip pan, is lined with white odorless spruce, and is guaranteed to remain dry all the time. It never has an odor.

Has more storage space than any refrigerator of same size. Fruit kept in the HERRICK will never decay. Even salt stays dry in the HERRICK. Uses less ice than any refrigerator on the market. By the HERRICK system all food odors are absorbed by the ice and carried off in waste water.

There are more than 400 HERRICK Refrigerators in Columbia. A HERRICK is used in every Laboratory in the University, also in the Parker Memorial Hospital, and in the majority of the homes of the University people.

Are You Going to Build?

We Have Just Received a Carload of Newest Designs of Hardwood Doors, both for Inside and Front Doors

Are You going to Build?

Some of The Designs Shown Are:

Are You going to Build?

EMPIRE and COLONIAL single panel front doors. The long panel Colonial door, used with plate glass lights is a popular combination. The Empire full length plate glass door is also much in demand. The RENAISSANCE two-panel type is also in vogue, and makes a beautiful inside trim. The MODERN five cross-paneled style is always in good taste. BUNGALOW front doors in both CRAFTSMAN and CONVENTIONAL designs.

Don't have the completion of your house suspended for a month or so waiting for your mill work to be made for you at a time when the mills are overrun with work. We have several hundred of these doors in Oak, Birch, Sugar Pine and Fir. Also large quantities of oak, beech, maple and yellow pine flooring and we can send them out to you tomorrow.

OUR PRICES ARE LOWER

This is not an empty advertisement but we CAN and WANT to show them to you. Come in and talk over your plans with us. We will give you suggestions and aid you in any way possible to expedite your building.
